**Special instructions for General Anesthesia and intravenous sedation patients ONLY:**

1. Have nothing to eat or drink 6 hours prior to the procedure. Only medications recommended by our doctor with a small sip of water.
2. A responsible adult must accompany you to your visit, remain in the office, and drive you home after your procedure.
3. Please wear loose clothing with short sleeves. You may layer clothing over this if you would like.
4. Driving vehicles is not recommended for the first 24 hours following your procedure.
5. A responsible parent or guardian must accompany minors to all visits.

**We look forward to meeting you!**
